DEAN

PROSPECTUS

MBA (Agri-Business)
(2011-2013)

**Rajasthan College of Agriculture
Maharana Pratap University of Agriculture
and Technology, Udaipur**

MAHARANA PRATAP UNIVERSITY OF AGRICULTURE AND TECHNOLOGY, UDAIPUR

Maharana Pratap University of Agriculture and Technology Udaipur was established on 1st Nov. 1999. The jurisdiction of university is spread over 12 districts of south and southeast Rajasthan. The mandate of the University is to:

- Impart teaching and training in different branches of agriculture and allied fields particularly Agriculture, Horticulture, Animal Husbandry, Fisheries, Forestry, Engineering, Home Science, etc.
- Conduct research and developing new technologies for sustainability of agriculture, increased production and income and livelihood security in the region.
- Transfer of technology to farming community.
- Provide diverse technical services and consultancy to industries and other stakeholders.
- Development of linkages nationally and internationally for education, research and extension education.

TEACHING

The University has following six Constituent colleges under its jurisdiction to carry out the activities of teaching.

- Rajasthan College of Agriculture, Udaipur
- College of Technology and Engineering, Udaipur
- College of Home Science, Udaipur
- College of Dairy and Food Science Technology, Udaipur
- College of Horticulture and Forestry, Jhalawar
- College of Fisheries, Udaipur

Academic Programmes of University:

There are 16 U.G. programmes, 28 master's programme and 20 Ph.D. programmes being run by the constituent Colleges of this University.

RESEARCH :

The institutional infrastructure to carry out the research activities includes three agricultural research stations at Udaipur, Kota and Banswara; two agricultural research substations at Pratapgarh and Aklera (Jhalawar); one dry farming research station at Bhilwara and one livestock research station at Vallabh nagar.

EXTENSION :

The extension activities of the University are carried out at the Head quarter of the Directorate of Extension Education, Udaipur and 10 KVK's situated at Banswara, Anta (Baran) Bhilwara, Bundi, Chittorgarh, Dungarpur, Jhalawar, Kota, Rajsamand and Sirohi. The University has also Directorate of Planning and Monitoring (DPM) for planning the activities of the university and Students Welfare Office (SWO) to cater the needs of welfare activities of the students.

PLACEMENT AND INFORMATION BUREAU

The bureau has a Coordinator at University level and incharge at College level. The bureau is actively organizing different activities for the personality development and to provide

information and guidance for the better placement of the graduates. It organizes seminars, lectures and coaching classes for the students. It also provides placement information to the students as well as arranges campus interviews for the employment in different public and private agricultural organizations from time to time. A language lab also exists in the university where students learn English language with grammar and skill development. One faculty member works as Placement Coordinator for the programme by collaborating with placement cell of the university and also by contacting the alumni occupying senior positions.

Project Training

The CABM batch of 2009-11 has an appropriate mix of professionals and fresh graduates. Students are from different institutes like RCA MPUAT; SKRAU, Bikaner; CCSU, Meerut (U.P); MPKV, Rahuri; PDKV, Akola etc.. and belonged to varied educational backgrounds like Agriculture, Horticulture, Ag. Engineering, Dairy Tech. etc. Students have work experience in different fields of agriculture which led to an appropriate mix for the batch to learn and grow professionally. CABM, RCA came up with Project training to highlight the quality and strong business knowledge of its students. The institute witnessed a rich mix of projects being offered by 6 illustrious companies like P I Industries Ltd., DSCL, Nuziveedu Seeds Pvt. Ltd., Excel Crop Pvt. Ltd., Alpgiri Seed Sciences Pvt. Ltd., Sadhana Chemicals Pvt. Ltd. etc. and one internationally renowned institute like International Livestock Research Institute (Nairobi).

Summer Internship

For the summer training companies came last year like CFCL and Mahindra made their presence this year as well thus showing their increasing interest in the institute. Sumitomo Chemicals offered interesting profiles in Marketing. Ventures like Sri Bio –Tech and Ambika Bio-Tech saw a keen interest from students who were eager to opt for the profiles in the field of Bio-Technology. Students showed equally keen interest towards agri input sector companies like Euro seeds, Tata Rallis and Harrison Malyalam. Within a short span of two years since its inception, CABM, RCA interns have drawn great appreciation from the corporate world.

Placement

The first batch of the Center for Agri-Business Management, RCA, went for placements in the month of March and April. In the batch of 18 students, 10 students are already placed. Leading MNC like CFCL made it's presence on the campus. The banking & financial services sector has always been the most coveted sector at MPUAT. Public sector banks like Oriental Bank of Commerce, Indian Overseas Bank, and private banks viz. ICICI made the bulk of the offers. Selection process included written exam and various levels of interviews. Harrison Malyalam and Shri Shubham Logistics also offered attractive profiles to the students in the area of Marketing.

LIBRARY :

The Central library as well as collegewise libraries of the university cater to the needs of students, faculty members and trainees both in conventional as well as electronic format. The library information system is partially automated, bar-coded and digitized. The libraries provides congenial environment to its readers with good ventilated and spacious reading rooms. The library also provides the facility of Internet, off line databases, on line databases, on-line journals and digitalization.

COMPUTER LAB:

Well equipped computer level with internet facility.

HOSTEL ACCOMMODATION:

College has adequate hostel facility, having five hostels with single seated rooms for boys and girls, television, telephone and internet facility.

CLASS ROOMS, SEMINARS & CONFERENCE FACILITY

The college has adequate number of class rooms with LCD and CC cameras and state-of-the-art seminar rooms and auditorium facility for conducting seminars, group discussions and conferences.

AGRI-BUSINESS PROGRAMME IN UNIVERSITY

Agri-business programme in the university was started during 2009-10, as agricultural graduates lack managerial skills and find it difficult to cope up with the complex situations and can not function effectively as managers in agri-business firms. The potential for development of agri-business sector is immense in the state as well as in the country. Agri-business links farm production, input supply, agro processing and distribution net work and emerges as viable option to resolve the problems of unemployment in rural sector to a great extent. The use of management concepts in agriculture and associated business has become more pronounced now. The production of goods and services is consumer oriented. Similarly the education should also be according to the needs and demand of the service provider's i.e. agri-business industrialist, MNC's, service sectors, etc. The programme aims at enabling meritorious agricultural graduates to acquire the critical competencies for functioning as effective agri-business managers.

The university has well established physical infrastructure, highly dedicated and expertise human resource in the fields of agriculture, agricultural engineering, dairy & food science technology, animal husbandry, fisheries, horticulture, forestry, home science, post harvest technology, agri entrepreneur development and so on.

OBJECTIVES

The main objectives of the programme are:

- To develop leadership for agri-business sector equipped with enhanced sense of commitment, integrity and ethics.
- To acquire sufficient operating skills in using modern management tools and techniques in different functional areas.
- To encourage entrepreneurial spirit in students to make them effective agents of change in the agri-enterprise sector.
- To undertake research projects on client specific problems and general problems related to agri-business sector.
- To collaborate with other institutions in the state and the country to enhance to the scope of agri-business.

MISSION

The mission of the Agri-business programme is to promote professional and managerial competence for corporate and self-employment sector in areas related to agriculture. The programme will also provide diverse technical service and consultancies to agro-based industries and other stakeholders.

VISION :

To become reputed, self-sufficient, job oriented, innovative and agri-preneurship institute consistent with the state and national agricultural policy.
