The changing environment and increasing complexities of the 21<sup>st</sup> century workplace have made communication even more important. It is the basic need of any organization. Good communication is required not only for good human relations but also for effective & exchange of ideas and plans.

My appreciation to **Dr. Rekha Vyas**, Officer Incharge, Communication Centre for strenuous efforts to publish this “**MPUAT Telephone Directory-2010**”. I also wish to thank all the other staff who has directly or indirectly contributed in preparing this publication.

I hope this publication will be useful for all the staff and students of MPUAT, Udaipur.
